

# WORLD STORYTELLING DAY 2020: VOYAGES!

Stories of adventure, stories that take us far from home and deep inside our own lives. This year's World Storytelling Day theme is *Voyages*, a great invitation to journey out from our everyday reality through the magical medium of story.

The Storytellers of New Mexico will be participating in our 5th year of events connected to a world-wide network of performers sharing tales linked by a single theme. What a wonderful excuse to tell—and to-listen to **STORIES!**

**The Storytellers of New Mexico will host two events in Albuquerque.**

## **Friday night, March 20th at Tortuga Gallery**

901 Edith Blvd SE, 7:00PM

[TortugaGallery.org](http://TortugaGallery.org)

*A wandering ballad, a hero garbed in a tiger-skin cloak, a parable for the here and now. Come and join the adventures!*

## **Saturday, March 21st at the ABQ Open Space Visitor Center**

6500 Coors Blvd NW, 1:30, PM
