

Index to Inside Story, National Storytelling Journal, Storytelling Magazine, Storytelling World/Storytelling Magazine, and Yarnspinner 1980-2000

SM = Storytelling Magazine

Y = Yarnspinner

IS = Inside Story

NSJ = National Storytelling Journal

Subjects of articles and stories are typed in all capital letters.

NOTE:

Because some articles have been reprinted in other issues, sometimes the same article is listed more than once.

The word "Insert" refers to pages within an issue that were not numbered as the other pages were and have been assigned a number according to their order. If the number 3 appears directly after a subject, title, or author, it refers to the page that was assigned that number. If the number 3 appears after the word insert, it was assigned that number by the indexer.

In 1984 there were two issues of the Yarnspinner labeled April. They are differentiated in this index as April 1984 Volume 9, Number 4 and April 1984 Volume 9, Number 5.

In 1983 there were two issues of the Yarnspinner labeled May. They are differentiated in this index as May 1983 Volume 8, Number 6 and May 1983 Volume 8, Number 5.

In 1982 there were two issues of the Yarnspinner labeled August, Volume 6, Number 8. They are differentiated in this index as August, 1982 and August, 1982 AT THE NATIONAL. AT THE NATIONAL refers to the lead article in that issue titled At the National Conference on Storytelling.

The May/June 2000 issue of Storytelling Magazine is incorrectly labeled on the Table of Contents page as March/April 2000.

The titles and authors that are listed as being on the back cover of each National Storytelling Journal refers to poems or stories printed there.
